## Join Us!

Because of the history! Because of the food! There are many reasons to take this trip but once you're there, it will be all about immersing yourself into the food and food traditions of Hungary.

We've been blown away by the amazing artisanal food of Hungary and by the warm welcome of its people, and we want to share them with you! From the regional cheeses, wines, cured meats, and bountiful produce, to the incredible breads, pastries, and elegant multi-layered tortas, Hungary has it all. Come find out how much more there is to Hungarian food than its excellent paprika!

## Who?
